The *Ashtavakra Gita*, an original composition with 300 verses in 20 chapters of varying lengths, is attributed to an unknown author.

It records a passionate and poetic dialogue between two great masters, one a wise old king and powerful ruler, Janaka, and the other a youthful scholar saint, Ashtavakra, a poor hunchback. Their discussions focus upon four fundamental questions of life:

- "What is enlightened freedom?"
- "What is detached engagement?"
- "What is true knowledge?" And,
- "How to gain all three in this lifetime?"

The Ashtavakra Gita is prescribed for serious seekers of Truth.
