Session 1: Meet your Spirit Guide

Thursday, February 5, 2009

6:30 – 8:30 p.m.

Description: Session focused on exploring connection with your Higher Self, Angels, or Spirit Guides. Tired of reading books or listening to others experience with their spiritual guidance? Come to this session and learn how to gain access your own inner guide. No previous meditation practice is necessary. Bring a friend and an open mind and you will be sure to enjoy the session.

Session 2: Conscious Creation of Abundance

Thursday, March 5, 2009

6:30 – 8:30 p.m.

Description: Steps to uncovering and creating your heart's true desire. Principles of manifestation are defined and personal rituals created to assist you in focusing your energy. Get clear on what you REALLY want and how to get it! Consciously!

Session 3: Past Life Theory and Therapeutic Healing

Thursday, April 2, 2009

6:30 – 8:30 p.m.

Description: Is it possible we have lived other lives? If so why does it even matter? Patterns of emotional and physical issues are often repetitive in nature. Sometimes it seems no matter how much treatment one receives the 'root' is just too deep to reach through traditional means. Consider Rumi's statement that "This drunkenness began in some other tavern". This session is experiential in nature and is designed for both novice and experienced explorers.
