The Sambodh Society, Inc.

Sambodh Center for Human Excellence

Under the inspired leadership of Swami Bodhananda, Sambodh Society and SCHE aspire to nurture a community of spiritual seekers who 1) work selflessly for the spiritual uplift of humanity; 2) learn from the best of both Eastern and Western traditions; and, 3) are steeped in Vedanta, a vision which sees the world as one family and that all paths lead to the same Truth.

The Sambodh Society, Inc. seeks your generous support and enthusiastic involvement - physically, materially and spiritually – for maximum success of this spiritual endeavor begun by Swamiji. Along with your participation in Sambodh activities and the annual *yajna* venerating *Sambodh Aranya Shiva*, we request your help in passing along the news of Sambodh to your friends and acquaintances. Help us arrange new venues for Swamiji's programs in your region of the United States or Canada. With your prayers, participation, good will and support, the Sambodh mission will flourish to benefit humanity.

SWAMIJI'S MESSAGE

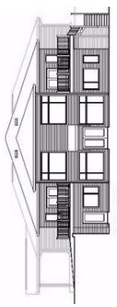

LORD SHIVA and His consort Devi are the patron deities of Sambodh Aranya and the Sambodh Center for Human Excellence. The union of **Shiva (Consciousness)** and **Shakti (Energy)** gives birth to and sustains this universe of beings and events. Shiva without Shakti has no drive, and Shakti without Shiva has no direction. Together Shiva and Shakti superintend the world's affairs. To quote Kalidasa, the poet, "*Jagada Pitarau Vande Parvati Parameshvarau*" - "We salute the cosmic parents, Parameshvara and Parvati."

SINCE THE VEDIC TIMES it has been a practice to perform rituals to propitiate Shiva and Shakti for world peace, prosperity, and spiritual well-being. When human efforts are found wanting, divine intervention is sought. By propitiating these deities we, in turn, balance our wishes and drives with cosmic energies and are nourished and protected. This is the whole rationale of a sacrifice. Thus, rituals work both spiritually and materially, bringing inner peace and bliss along with outer prosperity and harmony. Those who believe in a higher power controlling human destiny accept the Vedic injunctions to perform rituals for satisfying human needs and fulfilling human destiny.

The Significance of Parvati Kalyan Mantra and Homa

performed severe austerities on the bank of Manasarovar, to please Lord Shiva so that He would accept her as His wife. Pleased with her devotion and sacrifice, Mahadeva accepted Parvati as His consort. During her severe penance, Parvati chanted this mantra. Devotees who chant the Parvati Kalyan mantra and participate in the kalyan mahotsava puja can, without undergoing any such penance, freely draw from this merit deposit receiving blessings of Shiva and Parvati for the benefit of getting suitable spouses and also for the boon of a long happy married life.
